

Splunk Benefits

Benefits are an important part of your Total Rewards package at Splunk so it's a priority for us to offer a competitive and valuable employee benefits program. Each year, we review our current offering against the hi-tech market to ensure consistency with Splunk's benefit philosophy. We hope our benefits offering reflects the value that we place in each and every Splunker and provides you with a level of comfort and security, whether you're working at the office or spending time away with friends and family.

Please refer to the plan documents for the specific eligibility requirements, additional details on the plans, including exclusions and limitations.
